Sir,

Your other letter, the one dated April 20, 2007, with the heading "Catholics United to Peter", exposed your viewpoint on various questions relating to our archdiocese. You have the right to express your opinion. I receive it. I wish to point out however that Catholics United to Peter is not a canonically recognized organization, by this archdiocese, nor by the Conference of Canadian Catholic bishops and probably not by the Holy See.

Sincerely in the Lord,
